RETURN the Gift of God to All Creation

Return The Gift

- John 15: 1-17

POSTURE SHIFT

- A theology of personal salvation rooted in a Greek concept of abandoning and escaping the material for some “other” space.
- A theology of the Gift of Reconciliation at the Cross for all creation. Rooted in the concept that The Kingdom of God will come to this Earth, as it is in Heaven, to transform it. And that reconciliation has ALREADY started but has Not-Yet culminated.
- How are we called to Return that Gift, what is our “fruit that will last?”
