# Honoring Harvest

John 15:1-17

God designed creation and humanity to be fruitful and productive. Fruitfulness is to the Glory of the Father. Fruitfulness happens in stages and seasons: abide, pruning, growing and fruitfulness.

# Honoring Harvest

- Sabbath Rest
- Manna
- The Lord's Prayer
- Communion and Crucifixion

## POSTURE SHIFT

- Our culture of constant consumption has cut us off from the God-given cycle of fruitfulness. We partake in a Dishonoring Reaping that sees creation as “natural resources” to be consumed, and constantly requiring work on our part
- An Honoring Harvest understands creation as a good gift from God, our appointment with Jesus as Co-heirs, and the empowerment of the Spirit to go and bear fruit-- fruit that will last.
- **How does God articulate principles and practices that govern how to harvest in a way that is honoring to him?**
